Upgrades

# 指 压 豪 州

EastWest College is the oldest Australian teaching institution of Shiatsu situated in Melbourne and has been training professional Complementary Health Practitioners since 1978.

What distinguishes the Shiatsu and Massage training offered by EastWest College is an emphasis on integrating eastern and western modalities, treating the body holistically.

A Registered Training Organisation with the Office of Training and Tertiary Education in Victoria, (number 6148) enables eligible full time students to apply for Youth Allowance/Austudy or Abstudy, via Centrelink

The College prides itself on its excellent training standards together with flexible, supportive and experienced teachers, who are all practitioners in their own field. Our experienced teachers emphasize the importance of Self-Care and correct body use.

Our Graduates are both competent and confident to practice and are offered continuing support in areas of employment and post-graduate training.

Whether it is for professional practice or personal development, we can tailor a study plan to suit your lifestyle and personal commitments.

Upgrade your Qualification or add to your existing practice with our Workshops or Units.

We are here to help you

live your dream

## PROFESSIONAL COURSES

A **Dual Diploma - Save Time and Money** - the ideal study pathway if you wish to develop a vibrant and busy tactile therapy practice, with full recognition by Health Funds and Work Cover. Employment opportunities are doubled, yet study time is reduced significantly, due to the number of common units in both Diplomas and Certificate IV in Massage Therapy Practice. Students receive the benefits of exemptions for the common units and the **associated substantial financial savings**. You can complete the Dual Diploma full time **over a period of 2 years**.

### Diploma of Shiatsu & Oriental Therapies (18 - 24 mths)

This is the highest Shiatsu qualification in Australia covering the therapeutic and remedial use of Shiatsu and Oriental Therapies. Graduates are competent in diagnostic and treatment strategies of both acute and chronic conditions.

### The Diploma of Remedial Massage (18 - 24 months)

*where the person holds Certificate IV in Massage Therapy Practice*  
The course offers a unique approach to Remedial Massage by including Sports Massage, Corporate Massage and an Oriental Therapy Treatment unit. Graduates career opportunities are increased with the skills to work in elite sports and medical aftercare and full recognition is given to graduates by Health Funds and Work Cover.

The **Diploma of Remedial Massage** (9 - 15 months) is also offered as an upgrade to those who have the Certificate IV in Massage Therapy Practice or equivalent.

### Certificate IV in Massage Therapy Practice (9 - 12 mths)

Includes units in, relaxation and therapeutic massage, myofascial release, reflexology, aromatherapy and shiatsu massage. Graduates are eligible for membership with all the major health associations and can expect to gain employment in clinics, gyms, spas or their own practice.
